In this Agreement, the following words shall have the following meanings:

A. “Customer” shall mean the recipient/user of the ZTM Product under this Agreement.

B. “ZVRS” shall mean CSDVRS, LLC and its employees, independent contractors, and affiliated entities authorized to provide Customer with ZTM Products under this Agreement.

C. A “Video Relay Service” or “VRS” is a service which enables a user who is deaf, hard-of-hearing, or speech- disabled and who uses American Sign

2. General Terms and Conditions

A. Customer represents and warrants to ZVRS that:

(i) Customer is deaf or hard of hearing;

(ii) Customer accepted the Z™ Product solely for Customer’s own personal use;

(iii) Customer will not disassemble or in any way reverse-engineer the Z™ Product;

(iv) Customer will not re-sell or transfer the Z™ Product under any circumstances;

(v) Customer will use reasonable efforts to keep the Z™ Product safe and secure from thieves or vandals, unsupervised users, or any other external conditions that would likely damage the Z™ Product or impair its functions.

(vi) Customer acknowledges that ZVRS provides user notifications addressing numbers and e911 services to users on its website

at www.zvrs.com/about/fcc/ and Customer has received and understood this information.

B. Although ZVRS hopes that Customer will enjoy using the Z™ Product, Customer's decision to order a Z™ Product does not create any obligation to make any Video Relay Service calls. Customer is free to make calls to and receive calls from any Video Relay Service provider over the Z™ Product. Customer also is free to use the Z™ Product to connect to any other deaf user. The Z™ Product has been designed as part of the ZVRS solution. When Customer uses the Z™ Product to connect to ZVRS's Video Relay Service, Customer will reach a ZVRS authorized interpreter. This enables ZVRS to assure service quality and confidentiality. Customer may use our Software and Z™ Product to place free VRS calls, to receive VRS calls, and to make and receive non-VRS point-to-point calls. We receive compensation from the federal TRS fund when you use one of our video interpreters to interpret a VRS call. Customer is responsible for obtaining broadband connectivity to be able to use our Software and the Z™ Product; we do not provide broadband connectivity to Customers. If Customer chooses to use the Z™ Product with another Video Relay Service provider that does not use ZVRS videophones or services, ZVRS cannot ensure the quality of service or video clarity of those calls.

C. Customer acknowledges that the Z™ Product is being provided to Customer at no cost. Accordingly, Customer agrees that Customer will not sell, lease, or otherwise transfer possession of the Z™ Product to any other person or entity or otherwise allow any other person or entity to use the Z™ Product without the written consent of ZVRS (which consent may be withheld in its sole discretion). Customer acknowledges that ZVRS will disable the Z™ Product and render it unusable if ZVRS determines that the Z™ Product has been sold, leased or transferred or is otherwise being used in violation of these terms and conditions. Customer also acknowledges that ZVRS has the right and option to re-acquire the Z™ Product if it has been sold, leased, or transferred, or is otherwise being used in violation of this Agreement. ZVRS further reserves the right to pursue any and all other remedies available at law or in equity in the event of any unauthorized transfer of the Z™ Product or other violation of this agreement.

D. Customer has the right to port the local ten-digit number(s) assigned by ZVRS to the Z™ Product to a default provider other than ZVRS. To initiate the return of the Z™ Product, Customer can email help@zvrs.com or place a

point-to-point call to 866-932-7891. If Customer fails to return the Z™ Product, ZVRS reserves the right to take legal action and/or disable the Z™ Product.

E. Customer agrees not to use the Z™ Product for any abusive, pornographic, lewd, obscene, harassing, fraudulent, or unlawful purposes and not to use the Z™ Product in a way that interferes with ZVRS's ability to provide VRS products or services to Customer or other customers. ZVRS shall have the right to immediately terminate, suspend, restrict, or cancel Customer's use of the Z™ Product without advance notice if ZVRS becomes aware that Customer is or may be breaching the prohibitions of this agreement.

F. ZVRS reserves the right to investigate any abusive, pornographic, lewd, obscene, harassing, fraudulent, or unlawful use or access of the Z™ Product or breach of this agreement and to seek reimbursement and for any and all damages that result or arise from such misuse. To the fullest extent allowed by law ZVRS will not be liable for any cost or damage arising either directly or indirectly from Customer's use or misuse of the Z™ Product. Further, ZVRS reserves the right to assure itself that Customer's use of the Z™ Product does not violate the terms and conditions of this agreement and to terminate this agreement and repossess the Z™ Product immediately in the event of any violation.

G. VRS through ZVRS may not be available at all times due to unforeseen service interruptions, and/or technical problems. Further, all interpreters provided in conjunction with the video relay services of ZVRS may not always be immediately available at all times and Customer has no right to be provided access to any particular interpreter nor to become privy to the identity of any interpreters. Customer may, however, express a preference for the gender of the interpreter when a call is initiated or, if a transfer occurs, at the time the call is transferred to another interpreter, and ZVRS will make an effort to honor such a request.

H. All calls made through ZVRS are confidential. ZVRS will not disclose any information from Customer's conversations, and will not keep any records of the content or substance of any conversations, other than as necessary to provide video mail service. ZVRS has implemented technology and security features and strict policy guidelines to safeguard the privacy of Customer's

video relay calls and any Customer-identifiable information from unauthorized access or improper use.

I. Customer understands and hereby acknowledges that Customer's use of the Z™ Product requires that Customer's voice and/or image may be recorded and transmitted over the Internet. Customer further understands that due to the nature of the Internet, any privacy right, copyright or other right or interest in Customer's voice, image or likeness may be lost with respect to any specific transmission because of such transmission. Customer authorizes and specifically grants permission to ZVRS to record and transmit Customer's voice, likeness and/or image over the Internet solely for use of VRS interpretation services, and further releases and agrees to hold ZVRS harmless from any and all responsibility for any such loss of rights and/or interests resulting from transmission of Customer's voice, image and/or likeness over the internet. The foregoing shall not be construed as consent to the use of Customer's voice, image or likeness for purposes other than for purposes of providing VRS. Except for the authorization and permission specifically granted to ZVRS in this agreement, Customer reserves all right, title and interest in and to any and all forms of Customer's voice, image or likeness. Customer agrees to not use or facilitate the use of the voice, image, and/or likeness of the ZVRS VRS interpreter in any way other than for the lawful use of the Z™ Product for the purposes intended by ZVRS for performance of its VRS interpretation services. ZVRS shall have the right to immediately terminate, suspend, restrict, or cancel Customer's use of the Z™ Product without advance notice if ZVRS becomes aware that Customer is or may be breaching the prohibitions of this paragraph.

J. OneVP Activation. To activate OneVP, Customer consents and grants ZVRS administrative permission to conduct the Nvidia set up, including activation of the operating system and Google accounts. Customer also authorizes ZVRS to download the Google and Google Play software applications as part of the configuration process to support the functionalities and features of OneVP. Customer understands that it is advisable to become familiar with the following company terms of service and privacy policy. Google Terms of Service at <https://policies.google.com>; Google Privacy Policy at <https://policies.google.com/privacy>; NVIDIA Software License Agreement at <https://www.nvidia.com/en-us/shield/license/>; NVIDIA Privacy Policy at www.nvidia.com/en-us/about-nvidia/privacy-policy/ and Share usage & diagnostics information with Google at <http://g.co/AndroidUsageHelp>.

K. OneVP Additional Terms. The manufacturer, Nvidia Corporation, of the OneVP product may set forth obligations and other terms and conditions applicable to a user of OneVP. Customer acknowledges having received the manufacturer's manual and, read and accepted the terms and conditions set forth in the manufacturer's manual. Customer also acknowledges having received electronic copies of Google Terms of Service and Google Play Terms of Service. As the user, Customer agrees to comply with any such obligations and to be bound by any additional manufacturer terms and conditions. These terms and conditions supplement the manufacturer's terms and conditions, and to the extent there is a conflict between such terms, these terms and conditions shall take precedence.

L. Returns. To initiate the return of the Z™ Product, Customer should email help@zvrs.com or place a point-to-point call to 1-866- 932- 7891. Once Customers have obtained the return information from ZVRS, Customer must return the Z™ Product, at Customer expense, within forty-five (45) days of selecting another default provider. Customer must take every reasonable precaution to ensure the Z™ Product is packed in a secure and safe manner to ensure it remains safe from damage while in shipment. Customer is not authorized to and may not give any other provider of VRS, or any commercial entity working with or for any other provider of VRS, authority to return the Z™ Product.

M. Stolen, Damaged or Defective Product. If the Z™ Product has been stolen or appears to have been damaged, tampered with, or not functioning properly, Customer agrees to promptly e-mail us at help@zvrs.com, or, if possible, to contact our service staff through the Z™ Product. ZVRS reserves the right to assess a charge to repair or replace a damaged or stolen Z™ Product. ZVRS will not charge Customer for any repair made for us by the manufacturer under any manufacturer's warranty. Customer further agrees that so long as ZVRS is the default provider for the telephone number(s) assigned to the Z™ Product, only ZVRS may service or repair the Z™ Product, and Customer will not allow anyone other than ZVRS, including but not limited to other VRS providers, to attempt to repair or service the Z™ Product.

N. Returns for Repair. Should a Customer returns the Z™ Product for repair, ZVRS will attempt to repair and restore the Z™ Product to its original condition. As part of this process ZVRS cannot guarantee that the repaired Z™ Product will contain any software applications, and/or files, that the

Customer downloaded on their own to the Z™ Product prior to its return for repair. If the returned Z™ Product is beyond repair, ZVRS may replace the damaged or defective device with a new Z™ Product. If a Customer receives a new and replaced Z™ Product, such Product will not contain the same software applications and/or files that the Customer previously downloaded or stored on their own to the Product. ZVRS recommends that Customers store any downloaded software and/or files in a backup storage location before returning the Z™ Product.

O. The manufacturer of the Z™ Product may set forth obligations and other terms and conditions applicable to a user of the Z™ Product. As the user, Customer agrees to comply with any such obligations and to be bound by any additional manufacturer terms and conditions. These terms and conditions supplement the manufacturer's terms and conditions, and to the extent there is a conflict between such terms, these terms and conditions shall take precedence.

P. If Customer is planning to move to a new address, Customer agrees to update the address in Customer's profile account online or contact ZVRS at least 5 days in advance and inform ZVRS of the Customer's new address.

Q. Customer is responsible for a cellular data plan subscription fee for a certain Z™ Product such as Z5 on an iPhone or Z5 on an iPad, including activation fee and any transactional fees associated with the transfer of a data plan. Customer is advised to consult with a wireless service provider on options for a cellular data subscription plan.

3. Indemnification

To maximum extent permitted by applicable law, Customer shall defend, indemnify, and hold harmless ZVRS and its subsidiaries, affiliates, and its directors, officers, employees, agents, and personnel against any losses, liabilities, damages, and expenses to the extent arising out of or related to Customer's negligent act, negligent omission, breach of this agreement or willful misconduct. This provision will survive the termination of this agreement.

4. Limitations of Liability

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW: i) ZVRS SHALL NOT BE LIABLE WHATSOEVER FOR INDIRECT, CONSEQUENTIAL, EXEMPLARY, OR INCIDENTAL DAMAGES, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. ADDITIONALLY, ZVRS IS NOT LIABLE IN TORT, CONTRACT, OR OTHERWISE FOR ANY PERSONAL INJURY, PROPERTY DAMAGE, DEATH, OR OTHER HARM ARISING OUT OF OR RELATED TO USE OF THE Z™ PRODUCT TO MAKE A 911 OR SIMILAR EMERGENCY CALL.
